PROGRAM REQUIREMENTS:

Self-Management: The Certified Business Broker (CBB) is a self-study certification program. We greatly want to see you succeed, but your success depends on and directly corresponds to the amount of effort and time you put into learning the material.

Strategic Project completion: The strategic project for the CBB course is laid out in the study guide. This project is worth 50% of the CBB grade and must be received completed before you can schedule your examination date.

Time-Management: Being that the CBB is a self-study program, it is your responsibility to make time to read the required texts, to ask questions as they arise, and to keep in mind your examination date.

Examination: Examinations are offered on the 1st Wednesday of the new month. After registering for the CBB, you can schedule your examination date by submitting your completed strategic project (aforementioned) and your preferred exam date.

Please note that your exam date request must be received at least 2 weeks before the exam date. For example, if you would like to sit for the January 10th exam, we need to receive your request and completed project no later than December 27th. You can send your completed project and date request to the email address above.
